with specific inquiries.

Designed a great app? Gadget? Robotic arm?

We're searching for incredible student inventors to win the 3rd annual Young Innovators to Watch scholarship award, bestowed each summer at CE Week in New York City.

Win a **\$1000 scholarship** and high-tech prize package. The competition is open to any student aged 13-20 currently enrolled at a New York City high school or college.

Enter using the application on our website.

Deadline: June 1, 2017 at 11:59 p.m. EST.
